

Specification

Technical Data Sheet

Product Name	8-Hydroxyquinoline-5-sulfonic acid
---------------------	------------------------------------

Product No	78011644
-------------------	----------

CAS Number	84-88-8
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	225.22
-------------------------	--------

Specification

Appearance	White to Pale Yellow Solid
-------------------	----------------------------

Identification	Conforms to reference
-----------------------	-----------------------
