

# Specification

## Technical Data Sheet

<b>Product Name</b>	Furaltadone hydrochloride
---------------------	---------------------------

<b>Product No</b>	78183973
-------------------	----------

<b>CAS Number</b>	3759-92-0
-------------------	-----------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	360.75028
-------------------------	-----------

### Specification

<b>Appearance</b>	Yellow crystalline powder
-------------------	---------------------------

<b>Loss on Drying</b>	4.75 - 5.75%
-----------------------	--------------

<b>Melting Point</b>	≥240°C
----------------------	--------

<b>pH</b>	3.0 - 4.0
-----------	-----------

<b>Assay</b>	98.0 - 102.0%
--------------	---------------
