

# Specification

## Technical Data Sheet

<b>Product Name</b>	Amlodipine besylate
---------------------	---------------------

<b>Product No</b>	80452376
-------------------	----------

<b>CAS Number</b>	111470-99-6
-------------------	-------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	567.05
-------------------------	--------

### Specification

<b>Appearance</b>	White crystalline powder
-------------------	--------------------------
