

# Specification

## Technical Data Sheet

<b>Product Name</b>	Ammonium dihydrogen phosphate
---------------------	-------------------------------

<b>Product No</b>	80654278
-------------------	----------

<b>CAS Number</b>	7722-76-1
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	115.03
-------------------------	--------

### Specification

<b>Appearance</b>	White crystalline powder
-------------------	--------------------------

<b>Identification</b>	Conforms to reference
-----------------------	-----------------------

<b>pH</b>	Report
-----------	--------

<b>Water</b>	$\leq 0.2\%$
--------------	--------------

<b>Assay</b>	$\geq 99.0\%$
--------------	---------------

<b>Nitrogen (N)</b>	$\geq 11.8\%$
---------------------	---------------

<b>P2O5</b>	$\geq 61.0\%$
-------------	---------------

## Specification

---

**Water insoluble**

$\leq 0.1\%$

---
