

# Specification

## Technical Data Sheet

<b>Product Name</b>	1-Chloroethyl chloroformate
---------------------	-----------------------------

<b>Product No</b>	81008720
-------------------	----------

<b>CAS Number</b>	50893-53-3
-------------------	------------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	142.97
-------------------------	--------

### Specification

<b>Appearance</b>	Colourless transparent liquid
-------------------	-------------------------------

<b>Total impurity</b>	≤ 1.0%
-----------------------	--------

<b>Any other single impurity</b>	≤ 0.8%
----------------------------------	--------

<b>Assay</b>	>99%
--------------	------
