

# Specification

## Technical Data Sheet

<b>Product Name</b>	Dess-Martin Periodinane
---------------------	-------------------------

<b>Product No</b>	82451475
-------------------	----------

<b>CAS Number</b>	87413-09-0
-------------------	------------

<b>Storage Temperature</b>	-15 to -20 °C
----------------------------	---------------

<b>Molecular Weight</b>	424.14
-------------------------	--------

### Specification

<b>Appearance</b>	White to yellow crystalline solid or powder
-------------------	---

<b>Melting Point</b>	132 - 137°C
----------------------	-------------

<b>Proton NMR</b>	≥94.0% purity
-------------------	---------------
