

# Specification

## Technical Data Sheet

<b>Product Name</b>	Thymol blue sodium salt
---------------------	-------------------------

<b>Product No</b>	83107942
-------------------	----------

<b>CAS Number</b>	62625-21-2
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	488.57
-------------------------	--------

### Specification

<b>Appearance</b>	Red/ brown/ brown/ dark brown powder
-------------------	--------------------------------------

<b>Solubility in water</b>	Soluble in water
----------------------------	------------------
