

Specification

Technical Data Sheet

Product Name	Orthanilic acid (Aniline-2-sulfonic acid)
---------------------	---

Product No	84466713
-------------------	----------

CAS Number	88-21-1
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	173.19
-------------------------	--------

Specification

Appearance	Light yellow powder
-------------------	---------------------

Assay	>98%
--------------	------

Insoluble	<0.02%
------------------	--------
