

# Specification

## Technical Data Sheet

<b>Product Name</b>	BOC-L-Proline-OH
---------------------	------------------

<b>Product No</b>	84628673
-------------------	----------

<b>CAS Number</b>	15761-39-4
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	215.25
-------------------------	--------

### Specification

<b>Appearance</b>	White crystalline powder
-------------------	--------------------------

<b>Assay</b>	≤99.0%
--------------	--------
