

Specification

Technical Data Sheet

| | |
|---------------------|-------------------|
| Product Name | 2-Aminothiophenol |
|---------------------|-------------------|

| | |
|-------------------|----------|
| Product No | 85307137 |
|-------------------|----------|

| | |
|-------------------|----------|
| CAS Number | 137-07-5 |
|-------------------|----------|

| | |
|----------------------------|---------|
| Storage Temperature | Ambient |
|----------------------------|---------|

| | |
|-------------------------|--------|
| Molecular Weight | 125.18 |
|-------------------------|--------|

Specification

| | |
|-------------------|---------------------------------|
| Appearance | Light yellowish liquid or solid |
|-------------------|---------------------------------|

| | |
|----------------------|-----------|
| Melting Point | 20°C~24°C |
|----------------------|-----------|

| | |
|--------------|--------|
| Assay | ≥99.0% |
|--------------|--------|
