

Specification

Technical Data Sheet

Product Name	Potassium hexafluorophosphate
---------------------	-------------------------------

Product No	85919382
-------------------	----------

CAS Number	17084-13-8
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	184.06
-------------------------	--------

Specification

Appearance	White crystalline
-------------------	-------------------

Loss on Drying	$\leq 0.3\%$
-----------------------	--------------

Assay	$\geq 99.0\%$
--------------	---------------

Chloride (Cl)	$\leq 0.01\%$
----------------------	---------------

Fluoride	$\leq 0.1\%$
-----------------	--------------

Iron (Fe)	$\leq 0.01\%$
------------------	---------------

Sulfate (SO₄)	$\leq 0.01\%$
---------------------------------	---------------

Specification

Lead (Pb) $\leq 0.001\%$

Potassium (K) $\leq 0.1\%$
