

Specification

Technical Data Sheet

Product Name	Carbazole
---------------------	-----------

Product No	86934261
-------------------	----------

CAS Number	86-74-8
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	167.21
-------------------------	--------

Specification

Appearance	White to brown crystalline powder
-------------------	-----------------------------------

Purity	$\geq 98\%$
---------------	-------------

Residue on Ignition	$\leq 1.0\%$
----------------------------	--------------

Identification (IR)	Conforms to Reference
----------------------------	-----------------------
