

Specification

Technical Data Sheet

Product Name	5-Benzylthio-1H-tetrazole (BTT)
---------------------	---------------------------------

Product No	89914250
-------------------	----------

CAS Number	21871-47-6
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	192.24
-------------------------	--------

Specification

Appearance	A white sandiness crystals
-------------------	----------------------------

Melting Point	135 - 138 Deg C
----------------------	-----------------

Water	<0.5%
--------------	-------

Assay	>99%
--------------	------

Clarity & Colour of Solution	Clear
---	-------
