

# Specification

## Technical Data Sheet

<b>Product Name</b>	4'-Nitroacetophenone
---------------------	----------------------

<b>Product No</b>	89965981
-------------------	----------

<b>CAS Number</b>	100-19-6
-------------------	----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	161.25
-------------------------	--------

### Specification

<b>Appearance</b>	Light yellow powder
-------------------	---------------------

<b>Identification</b>	Conforms to reference
-----------------------	-----------------------
