

# Specification

## Technical Data Sheet

<b>Product Name</b>	Sodium hexametaphosphate
---------------------	--------------------------

<b>Product No</b>	89966173
-------------------	----------

<b>CAS Number</b>	10124-56-8
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	611.77
-------------------------	--------

### Specification

<b>Appearance</b>	White powder
-------------------	--------------

<b>Grade</b>	technical grade
--------------	-----------------

<b>pH</b>	5.8 - 7.0
-----------	-----------

<b>Assay (as P<sub>2</sub>O<sub>5</sub>)</b>	Min 65%
--	---------

<b>Water insoluble matter</b>	≤ 0.1%
-------------------------------	--------
