

Specification

Technical Data Sheet

Product Name	Levetiracetam
---------------------	---------------

Product No	89966312
-------------------	----------

CAS Number	102767-28-2
-------------------	-------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	170.21
-------------------------	--------

Specification

Appearance	Off-white powder
-------------------	------------------

Specific rotation	-86 to -91°
--------------------------	-------------

Assay	≥99.0%
--------------	--------
