

Specification

Technical Data Sheet

Product Name	p-Toluidine
Product No	89966756
CAS Number	106-49-0
Storage Temperature	Ambient
Molecular Weight	107.1531
	Specification
Appearance	White to cream to yellow to orange to red to brown crystalline powder or granular and/or fused solid
Melting Point	40-46 °C
Assay	≥99.0%
Identification(FTIR)	conforms to reference
