

# Specification

## Technical Data Sheet

<b>Product Name</b>	Ethylenediamine
---------------------	-----------------

<b>Product No</b>	89966808
-------------------	----------

<b>CAS Number</b>	107-15-3
-------------------	----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	60.10
-------------------------	-------

### Specification

<b>Appearance</b>	Clear colorless to pale yellow liquid
-------------------	---------------------------------------

<b>Refractive Index</b>	1.4550-1.4580 (20°C)
-------------------------	----------------------

<b>Purity (GC)</b>	≥ 98.5%
--------------------	---------
