

Specification

Technical Data Sheet

Product Name	Isobutyl acetate
---------------------	------------------

Product No	89967020
-------------------	----------

CAS Number	110-19-0
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	116.16
-------------------------	--------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Identification (RAMAN)	Conforms to Reference
-------------------------------	-----------------------
