

Specification

Technical Data Sheet

Product Name	1,3,5-Trioxane
---------------------	----------------

Product No	89967083
-------------------	----------

CAS Number	110-88-3
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	90.08
-------------------------	-------

Specification

Appearance	White crystal
-------------------	---------------

Water	$\leq 0.05\%$
--------------	---------------

Assay	$\geq 99.0\%$
--------------	---------------

Formic Acid	$\leq 0.005\%$
--------------------	----------------

Methanol	$\leq 0.1\%$
-----------------	--------------
