

Specification

Technical Data Sheet

Product Name	Diethylene glycol monomethyl ether
---------------------	------------------------------------

Product No	89967164
-------------------	----------

CAS Number	111-77-3
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	120.15
-------------------------	--------

Specification

Appearance	Clear colourless to pale yellow liquid
-------------------	--

IR Spectroscopy	Conforms to Structure
------------------------	-----------------------
