

Specification

Technical Data Sheet

Product Name	1,10-Decanediol
---------------------	-----------------

Product No	89967237
-------------------	----------

CAS Number	112-47-0
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	174.28
-------------------------	--------

Specification

Appearance	White to off-white solid
-------------------	--------------------------

Identification	Conforms to reference
-----------------------	-----------------------

Purity	$\geq 99.0\%$
---------------	---------------

Saponification Value	≤ 3.0 mgKOH/g
-----------------------------	--------------------

Acid value mgKOH/g	≤ 1.0
---------------------------	------------
