

Specification

Technical Data Sheet

Product Name	2,2,2-Trichloroethanol
---------------------	------------------------

Product No	89967426
-------------------	----------

CAS Number	115-20-8
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	149.40
-------------------------	--------

Specification

Appearance	Colourless to yellow / Amber liquid / melt
-------------------	--

Identification	Conforms to Reference
-----------------------	-----------------------

Content	≥98%
----------------	------
