

Specification

Technical Data Sheet

Product Name	Triisopropyl phosphite
---------------------	------------------------

Product No	89967494
-------------------	----------

CAS Number	116-17-6
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	208.24
-------------------------	--------

Specification

Appearance	Colourless liquid
-------------------	-------------------

Purity GC	≥90.0%
------------------	--------
