

# Specification

## Technical Data Sheet

<b>Product Name</b>	1-Naphthylamine-7-sulfonic Acid
---------------------	---------------------------------

<b>Product No</b>	89967703
-------------------	----------

<b>CAS Number</b>	119-28-8
-------------------	----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	223.25
-------------------------	--------

### Specification

<b>Appearance</b>	Grey to red powder
-------------------	--------------------

<b>Identification</b>	Conforms to reference
-----------------------	-----------------------

<b>Assay</b>	$\geq 97.0\%$
--------------	---------------

<b>Insoluble Matter</b>	$\leq 0.3\%$
-------------------------	--------------
