

Specification

Technical Data Sheet

Product Name	Lithium tetraborate
---------------------	---------------------

Product No	89967779
-------------------	----------

CAS Number	12007-60-2
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	169.12
-------------------------	--------

Specification

Appearance	White to off white powder
-------------------	---------------------------

Assay (Titration)	≥98.0%
--------------------------	--------
