

Specification

Technical Data Sheet

Product Name	Phenoxyacetic acid
---------------------	--------------------

Product No	89968070
-------------------	----------

CAS Number	122-59-8
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	152.15
-------------------------	--------

Specification

Appearance	White needle crystal
-------------------	----------------------

Loss on Drying	<0.5%
-----------------------	-------

Melting Point	98 - 100 Deg C
----------------------	----------------

Assay	>99%
--------------	------
