

# Specification

## Technical Data Sheet

<b>Product Name</b>	Strontium peroxide anhydrous DEF STAN 13-51/2
---------------------	---

<b>Product No</b>	89981225
-------------------	----------

<b>CAS Number</b>	1314-18-7
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	119.62
-------------------------	--------

### Specification

<b>Appearance</b>	Very fine white powder
-------------------	------------------------

<b>Loss on Drying</b>	$\leq 0.25\%$
-----------------------	---------------

<b>Peroxide</b>	$\geq 70\%$
-----------------	-------------
