

# Specification

## Technical Data Sheet

<b>Product Name</b>	Lead(II) carbonate basic
---------------------	--------------------------

<b>Product No</b>	89981280
-------------------	----------

<b>CAS Number</b>	1319-46-6
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	775.63
-------------------------	--------

### Specification

<b>Appearance</b>	White lumpy solid
-------------------	-------------------

<b>Acetic acid insolubles</b>	≤0.02%
-------------------------------	--------

<b>Assay (As Lead)</b>	79.0% - 80.6%
------------------------	---------------

<b>Chloride (Cl)</b>	≤0.005%
----------------------	---------

<b>Hydrogen sulfide non-precipitate</b>	≤0.2%
---	-------

<b>Iron (Fe)</b>	≤0.005%
------------------	---------

<b>Copper (Cu)</b>	≤0.005%
--------------------	---------

## Specification

---

**Identification (IR)**

Conforms to reference

---

**Nitrate (NO<sub>3</sub>)**

≤0.007%

---
