

Specification

Technical Data Sheet

Product Name	Berberine chloride hydrate
---------------------	----------------------------

Product No	89981875
-------------------	----------

CAS Number	141433-60-5
-------------------	-------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	371.81
-------------------------	--------

Specification

Appearance	Yellow crystalline powder
-------------------	---------------------------

Ash	≤5%
------------	-----

Heavy metals	≤20ppm
---------------------	--------

Cadmium (Cd)	≤1ppm
---------------------	-------

Moisture	≤5%
-----------------	-----

Purity	≥97.0%
---------------	--------

Arsenic (As)	≤1ppm
---------------------	-------

Specification

Lead (Pb)

≤2ppm
