

Specification

Technical Data Sheet

Product Name	Manganese disodium EDTA trihydrate
---------------------	------------------------------------

Product No	89982554
-------------------	----------

CAS Number	15375-84-5
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	389.13
-------------------------	--------

Specification

Appearance	Light pink powder
-------------------	-------------------

pH	6.0 - 7.0
-----------	-----------

Mn	≥ 13%
-----------	-------
