

# Specification

## Technical Data Sheet

<b>Product Name</b>	3-(N-Tosyl-L-alaninyloxy)-5-phenylpyrrole
---------------------	---

<b>Product No</b>	89984748
-------------------	----------

<b>CAS Number</b>	99740-00-8
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	384.45
-------------------------	--------

### Specification

<b>Appearance</b>	White to light red powder
-------------------	---------------------------

<b>Identification</b>	Conforms to reference
-----------------------	-----------------------

<b>Assay</b>	≥98%
--------------	------
