

Specification

Technical Data Sheet

Product Name	Benzyl methacrylate
---------------------	---------------------

Product No	89985310
-------------------	----------

CAS Number	2495-37-6
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	176.21
-------------------------	--------

Specification

Appearance	Colourless Liquid
-------------------	-------------------

Identification	Conforms to reference
-----------------------	-----------------------

Acidity	$\leq 0.03\text{mgKOH/g}$
----------------	---------------------------

Chroma	≤ 50
---------------	-----------

MEHQ	50ppm - 105ppm
-------------	----------------

Moisture	$\leq 0.03\%$
-----------------	---------------

Purity	$\geq 99.0\%$
---------------	---------------
