

# Specification

## Technical Data Sheet

<b>Product Name</b>	Octyltriethoxysilane
---------------------	----------------------

<b>Product No</b>	89986093
-------------------	----------

<b>CAS Number</b>	2943-75-1
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	276.49
-------------------------	--------

### Specification

<b>Appearance</b>	Colourless transparent liquid
-------------------	-------------------------------

<b>Density</b>	0.875-0.885
----------------	-------------

<b>pH</b>	6-7
-----------	-----

<b>Purity</b>	≥97.0%
---------------	--------
