

# Specification

## Technical Data Sheet

<b>Product Name</b>	Neopentylamine
---------------------	----------------

<b>Product No</b>	89989833
-------------------	----------

<b>CAS Number</b>	5813-64-9
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	87.17
-------------------------	-------

### Specification

<b>Appearance</b>	Slightly yellow to colourless clear liquid
-------------------	--

<b>Purity GC</b>	>99%
------------------	------
