

Specification

Technical Data Sheet

Product Name	Hexamidine diisethionate
---------------------	--------------------------

Product No	89991010
-------------------	----------

CAS Number	659-40-5
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	606.7
-------------------------	-------

Specification

Appearance	White powder
-------------------	--------------

Loss on Drying	$\leq 0.5\%$
-----------------------	--------------

Purity (HPLC)	$\geq 99.0\%$
----------------------	---------------

Single Impurity	$\leq 0.5\%$
------------------------	--------------

Total Impurities	$\leq 1.0\%$
-------------------------	--------------
