

# Specification

## Technical Data Sheet

<b>Product Name</b>	Antioxidant 5057
---------------------	------------------

<b>Product No</b>	89991351
-------------------	----------

<b>CAS Number</b>	68411-46-1
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	281.44
-------------------------	--------

### Specification

<b>Appearance</b>	Yellow to red/brown liquid
-------------------	----------------------------

<b>Viscosity</b>	$\leq 600$
------------------	------------

<b>Water</b>	$\leq 0.15$
--------------	-------------

<b>Assay</b>	$\geq 97\%$
--------------	-------------

<b>Colour gardner</b>	$\leq 18$
-----------------------	-----------

<b>N</b>	4 - 5%
----------	--------
