

Specification

Technical Data Sheet

Product Name	Poly(dicyclopentadiene-co-p-cresol)
---------------------	-------------------------------------

Product No	89991394
-------------------	----------

CAS Number	68610-51-5
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	296.4
-------------------------	-------

Specification

Appearance	White to off-white powder
-------------------	---------------------------

Ash	$\leq 0.15\%$
------------	---------------

Heat stability	$\leq 0.5\%$
-----------------------	--------------

Initial Melting Point	$\geq 115^{\circ}\text{C}$
------------------------------	----------------------------
