

Specification

Technical Data Sheet

Product Name	3-[2-(Ethylhexyl)oxyl]-1,2-propandiol
---------------------	---------------------------------------

Product No	89991659
-------------------	----------

CAS Number	70445-33-9
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	204.31
-------------------------	--------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Density	0.954 - 0.960
----------------	---------------

Refractive Index	1.449 - 1.453
-------------------------	---------------

Water	≤0.2%
--------------	-------

Assay	≥99.0%
--------------	--------

Colour Apha	≤15
--------------------	-----
