

Specification

Technical Data Sheet

Product Name	Zirconium Oxychloride
---------------------	-----------------------

Product No	89992420
-------------------	----------

CAS Number	7699-43-6
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	178.12
-------------------------	--------

Specification

Appearance (Colour)	Crystalline white to light yellow
----------------------------	-----------------------------------
