

Specification

Technical Data Sheet

Product Name	1-Phenoxy-2-propanol
---------------------	----------------------

Product No	89992425
-------------------	----------

CAS Number	770-35-4
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	152.19
-------------------------	--------

Specification

Appearance	Transparent viscous liquid
-------------------	----------------------------

Assay	98% min
--------------	---------
