

# Specification

## Technical Data Sheet

<b>Product Name</b>	Sodium trimetaphosphate
---------------------	-------------------------

<b>Product No</b>	89992549
-------------------	----------

<b>CAS Number</b>	7785-84-4
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	305.89
-------------------------	--------

### Specification

<b>Appearance</b>	White powder
-------------------	--------------

<b>Grade</b>	Food grade
--------------	------------

<b>pH</b>	6.0 - 9.0
-----------	-----------

<b>Assay</b>	$\geq 98.5\%$
--------------	---------------

<b>Fluoride (F)</b>	$\leq 0.001\%$
---------------------	----------------

<b>Insoluble Substance</b>	$\leq 0.1\%$
----------------------------	--------------

<b>Arsenic (As)</b>	$\leq 0.0003\%$
---------------------	-----------------

## Specification

---

**Lead (Pb)**  $\leq 0.001\%$

---

**Phosphorus pentoxide**  $\geq 68.5\%$

---
