

Specification

Technical Data Sheet

Product Name	Calcium bromide
---------------------	-----------------

Product No	89992557
-------------------	----------

CAS Number	7789-41-5
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	199.89
-------------------------	--------

Specification

Appearance	White powder or flake
-------------------	-----------------------

pH	6.5 - 9.5
-----------	-----------

Cl	<0.5%
-----------	-------

Content	>96%
----------------	------

Water insoluble	<1.0%
------------------------	-------

BrO3	No reaction
-------------	-------------

SO42	<0.05%
-------------	--------
