

# Specification

## Technical Data Sheet

<b>Product Name</b>	1,2,4,5-Tetramethylbenzene 97%
---------------------	--------------------------------

<b>Product No</b>	89993421
-------------------	----------

<b>CAS Number</b>	95-93-2
-------------------	---------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	134.22
-------------------------	--------

### Specification

<b>Appearance</b>	White or light yellow solid
-------------------	-----------------------------

<b>Melting Point</b>	$\geq 76$ °C
----------------------	--------------

<b>Assay</b>	$\geq 97\%$
--------------	-------------
