

Specification

Technical Data Sheet

Product Name	Martius Yellow
---------------------	----------------

Product No	89994530
-------------------	----------

CAS Number	605-69-6
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	234.17
-------------------------	--------

Specification

Appearance	Yellow to orange to brown powder
-------------------	----------------------------------

Dye Content	≥85%
--------------------	------
