

Specification

Technical Data Sheet

Product Name	5,6-Dithiadecane
---------------------	------------------

Product No	89994676
-------------------	----------

CAS Number	629-45-8
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	178.36
-------------------------	--------

Specification

Appearance	Colourless liquid
-------------------	-------------------

Water	$\leq 0.1\%$
--------------	--------------

Assay	$\geq 98.5\%$
--------------	---------------
