

Specification

Technical Data Sheet

| | |
|---------------------|----------------------|
| Product Name | 2-Methoxypropan-1-ol |
|---------------------|----------------------|

| | |
|-------------------|----------|
| Product No | 89995588 |
|-------------------|----------|

| | |
|-------------------|-----------|
| CAS Number | 1589-47-5 |
|-------------------|-----------|

| | |
|----------------------------|---------|
| Storage Temperature | Ambient |
|----------------------------|---------|

| | |
|-------------------------|-------|
| Molecular Weight | 90.12 |
|-------------------------|-------|

Specification

| | |
|-------------------|-------------------------------|
| Appearance | Colourless transparent liquid |
|-------------------|-------------------------------|

| | |
|--------------|------|
| Assay | >99% |
|--------------|------|
