

Specification

Technical Data Sheet

Product Name	Disperse Red 17
---------------------	-----------------

Product No	89995681
-------------------	----------

CAS Number	3179-89-3
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	344.37
-------------------------	--------

Specification

Appearance	Dark red to black powder
-------------------	--------------------------

Purity HPLC	min 98%
--------------------	---------
