

Specification

Technical Data Sheet

Product Name	Arsenic (III) iodide
---------------------	----------------------

Product No	89998076
-------------------	----------

CAS Number	7784-45-4
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	455.64
-------------------------	--------

Specification

Appearance	Red solid
-------------------	-----------

Identification	Conforms to reference
-----------------------	-----------------------

Assay	≥98.0%
--------------	--------
