

# Specification

## Technical Data Sheet

<b>Product Name</b>	1,1'-(4-Methylpent-1-ene-2,4-diyl)dibenzene
---------------------	---

<b>Product No</b>	89998445
-------------------	----------

<b>CAS Number</b>	6362-80-7
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	236.35
-------------------------	--------

### Specification

<b>Appearance</b>	Colourless to light yellow transparent liquid
-------------------	---

<b>Flash Point</b>	$\geq 100$ Deg C
--------------------	------------------

<b>Refractive Index</b>	$\geq 1.5620$
-------------------------	---------------

<b>Assay</b>	$\geq 90\%$
--------------	-------------

<b>Colour Apha</b>	$\leq 350$
--------------------	------------
